FOR OFFICE MISTAKE (37 C.F.R. 1.322)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
ATTN: Certificate of Correction Branch

Sir:

1. It is noted that an error of a minor nature or character appears in this patent due to a mistake on the part of the U.S. Patent and Trademark Office, as more fully described below. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A certificate of correction is requested.

2. Attached hereto, in duplicate, is Form PTO/SB/44 (PTO-1050), with at least one copy being suitable for printing.

3. The exact page and line number where the error occurs in the application file are:

Page 1 (title page), item number 30 (Foreign Application Priority Data): Priority data appears as "(DE) 101 46 286.", however, no foreign priority was claimed in the application at any time during prosecution, and the application is not derived from any preceding foreign (or domestic) patent application. Applicants request this information be deleted from the patent face.

4. In addition, Applicants submitted Formal Drawings on June 2, 2004, well in advance if the Issue date, however the patent issued and was published with informal drawings as initially filed with the application. The informal drawings are of inferior quality and detract from the value of the patent, as it is more difficult to view and understand minor nuances in the informal drawings published in the patent.

In view of the fact that appropriate formal drawings were timely submitted in accordance with the requirements of the MPEP and 37 CFR, Applicants respectfully request that the present patent be reissued in accordance with the provisions of 37 CFR 1.322(b). An additional set of Formal Drawings is enclosed for the Office's convenience.

5. Please send the Certificate to:

U. P. Peter Eng
WILSON SONSINI GOODRICH & ROSATI
650 Page Mill Road
Palo Alto, California 94304-1050

6. No fee is believed to be due in connection with this request, since the error was on the part of the U.S. Patent and Trademark Office, and was not due to any erroneous submission, or omission, by Applicants.

The Commissioner is authorized to charge any additional fees which may be required, including petition fees, or credit any overpayment to Deposit Account No. 23-2415 (Docket No. 29191-705.201).

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI
